Qualifications for Certification						
Employees who will provide direct services must meet one of the following qualifications						
1. Four years' experience or employment in a public vocational rehabilitation program; experience in job placement, job coaching, or counseling; or other related experience working with persons with disabilities. OR						
2. A Master's Degree in a related field such as rehabilitation, counseling, social work, psychology, education, human resources, business administration, or economics, from an accredited college or university, and six month's experience as described above. OR						
3. A Bachelor's Degree in a related field such as rehabilitation, counseling, social work, psychology, education, human resources, business administration, or economics, from an accredited college or university, and one year's experience as described above. OR						
4. An Associate's Degree from an accredited college or university, or a Bachelor's or Master's Degree in an unrelated field, and two years' experience as described above.						

All employees who will provide Supported Employment Services must also have a training certificate in Supported Employment from a state or nationally recognized Supported Employment Program. Please provide copy(ies) of the following, if applicable:

- Degree(s)
- Training Certificate(s)

Employment History

Employment History must support the option chosen above. Reference checks may be conducted to verify this information. List those duties consistent with above qualifications under DESCRIPTION OF WORK PERFORMED. If more space is needed, please attach a resume.
