ADJOURNMENT

**Florida Rehabilitation Council
 Quarterly Meeting Minutes
 Derek Arnold, Chair
 Quorum Established**

**February 10, 2026
 Jacksonville, Florida
 9:00 am – 2:00 pm**

<p>Council Members in Attendance: Derek Arnold, Peggy Aune, Bonnie Barlow, Diane Cholcher, Fari Garcia, Allison Klein, Chris Leto, Paul Micklow, Jose Morales, Matt Motko, Nicole Reed, Kelly Rogers, Meredith Standfield, Alisa Stock</p>	<p>VR Staff in Attendance: Leah Compagnone-Bolt, Terry Hoffman, Libby Moody, Jennifer Roach, Cyndie Tucker, Robin Rolfe, Yolanda Butler, Neubian Williams, Tami Oates, Monica Edwards, Stan De Aranzeta, Roger Godwin, Francis Dollinger, Caitlin Gold, Lisa Oleary, Daniel LeMay, Ericka Randall, Drew Wann, Donna Farrell, April Santos, Diocelina Sandoval-Morales, Jessica Campbell, Victoria Hill, Brandi Boyer Rutherford, Lea Ann Gates, Bill Moody, Brian Hirsch, Andrea Schwendinger, Veronica Ebuén, Kim Blackmon, Jose Rivera, Alexa Schoffel, John Howell, Peter Shepis, Robert Richards, Carolyn Renshaw, Tammy Maness, Verlon Carter, Makenzie Heyliger, Wesley Saunders, Wesley Bolin, Joseph Rapisardo, Willette Bowers, Regine Elisme, Patti Warren, Thomas Clemons, Linda Werner, Tracy McCoy-Morris</p>
<p>Guests in Attendance: Beth Myer, Margarita Honeyfield, David Caldas, Mandy Noerper, Howard Bell, Arthur Moody, Laura Fussell, Lydia Bogans, Taylor Fisher, Nicole Littmann, Kerri Morse; six Teams guests not identified</p>	

Roll Call & Call to Order - Derek Arnold, Council Chair

- Minutes for October 21, 2025, Quarterly Meeting; reviewed and no additional questions/edits.
- Budget Report: Reviewed and no additional questions/edits.
- Correspondence: Reviewed with no additional questions/edits.

Chair Derek Arnold called for a motion to approve the minutes, budget and correspondence. Mr. Leto moved to approve and Mr. Morales seconded the motion. The motion carried and the minutes, budget and correspondence were approved.

Chair Arnold called for a motion to approve the remaining 2026 Quarterly Meeting schedule. Mr. Morales moved to approve the proposal and Dr. Aune seconded the motion. The motion carried and the following dates and locations were approved:

- August 11, 2026 – West Palm Beach
- November 3, 2026 – Panama City Beach

Director’s Report - Kelly Rogers, VR Director

Report slides are available upon request.

Program updates included:

- Initiatives and Priorities Updates
- Caseload Highlights
- Expenditures
- Caseload and Staffing
- Ombudsman/Complaints

Mr. Hoffman informed the council that Proposed Senate Bill 1052 and House Bill 1279 aim to improve informed choice by requiring providers to prove their success with participants. A new public dashboard and annual reports will track provider performance and ensure that funds are spent correctly.

Area 2 Presentation - Jennifer Roach, Area Director

Report slides are available upon request.

Program updates included:

- Workload Overview
- Successful Closures
- Measurable Skills Gains
- Employment Quality
- Next Steps for Area 2

Area 2 leadership strategy focuses on strengthening employer partnerships, elevating Measurable Skills Gains performance, empowering staff, enhancing work experience and overall client outcomes.

Counselor Panel - Yolanda Butler; Cyndie Tucker; Robyn Rolfe

Report slides are available upon request.

VR Counselors provided detailed insights on daily operations they encounter from their professional perspective.

Florida Independent Living Council Presentation (FILC), Beth Meyer

Report slides are available upon request.

Program updates included:

- FILC Operations
- Goals and Initiatives
- Disaster Response & Housing

Partner Reports: Client Assistance Program (CAP), Allison Klein

CAP administered by Disability Rights Florida, managed eighty-five service requests between October 1 and December 31, 2025, primarily focusing on vocational rehabilitation, independent living services and workplace accommodations. Of those, 17 involved communication issues between individuals and their counselors and 16 concerned conflicts regarding services that needed to be provided. In addition, 27 referrals were submitted to VR.

Future Business Items:

- Five-Year Performance Report and Overview
- VR Leasing

New Action Items:

- Inform FRC when the VR policy is publicly noticed.
- Provide a status update on the proposed bill.
- Analyze whether the number of individuals marked as “No Longer Interested” is proportionally similar within the PreETS population compared to the overall total, and report on any differences identified.

Public Comment:

Public Comment: Margarita Honeyfield, Deputy Director of the Center for Independent Living (CIL) Jacksonville, highlighted the agency's role in providing independence-driven support such as durable medical equipment, youth mentoring and parent transit advocacy to empower individuals with disabilities and foster community independence.

Meeting Adjournment:

Chair Arnold called for a motion to adjourn the meeting. Mr. Morales moved to adjourn and Director Rogers seconded the motion. The motion carried, and the meeting was adjourned at 2:00 PM. The meeting was open for public comment at 3:15 PM.

**Florida Rehabilitation Council (FRC)
Business Meeting Minutes
Quorum Established**

**March 9, 2026
Microsoft Teams
1:00 pm – 2:05 pm**

Council Members in Attendance: Derek Arnold, Bonnie Barlow, Peggy Aune, Fari Garcia, Chris Leto, Allison Klein, Paul Micklow, Nicole Cheney, Kelly Rogers, Matt Motko	VR Staff in Attendance: Jessica Campbell, Tami Oates, Neubian Williams, Leah Compagnone-Bolt, Monica Edwards, Roger Godwin, Stan De Aranzeta, Terry Hoffman, Diocelina Sandoval-Morales, Victoria Hill, Tracy McCoy-Morris, Daylis Zamora, Anthony Oakes, Willette Bowers
Guests in Attendance: Tara Schwichtenberg	
Roll Call & Welcome – Tami Oates, FRC Staff Call to Order – Derek Arnold, Council Chair	
VR Leases – Stan De Aranzeta, Operations; Roger Godwin, Budget Report slides are available upon request. <ul style="list-style-type: none">• VR Office Locations• Types of Leases• Lease Breakdown• Square Footage Leased• Lease Expenditures by Fiscal Year• Lease Expenditures – Percentage of Expenses Appropriation by Fiscal Year• Expenses Allocation for Fiscal Year 2025-26	
Future Action Items: <ul style="list-style-type: none">• Lease Evaluation:<ul style="list-style-type: none">○ Conduct new evaluations of long-standing leases (some unchanged for 16–20 years) to determine if current building locations still align with budget and service needs.○ Research into all current leases to determine if locations still meet operational needs and optimize staff placement.○ Shift toward shorter-term commitments for private commercial offices to prevent the risk of being locked into unnecessary long-term contracts.○ Explore opportunities to add cubicles to existing offices to consolidate staff and eliminate the need for separate private commercial leases.○ Ensure more quotes are obtained during the procurement process to combat rising lease costs. Partner with city and county spaces, colleges and K-12 (not just school campuses) strategically located to maximize business partnerships.○ Strengthen lease terms to better manage fluctuating rates and operating costs.○ Prioritize state-owned buildings.	

- On-Site Visits:
 - Conduct physical site visits to assess how space is being used and evaluate current use.

Public Comment

- None received.

Meeting Adjournment:

- Chair Arnold called for a motion to adjourn the meeting. Mr. Leto moved to adjourn and Director Rogers seconded the motion. The motion was carried and the meeting was adjourned at 2:05 pm.

**Division of Vocational Rehabilitation
Florida Rehabilitation Council
Expenditure Analysis
State Fiscal Year 2025-26**

Description	Budget Allocation	EXPENDITURES					Total	Balance
		Qtr 1	Qtr 2	Qtr 3	Qtr 4			
FRC Staff	\$ 158,233							
Salary		\$ 29,977	\$ 29,977	\$ 29,977	\$ -	\$ 89,931		
Benefits		\$ 14,690	\$ 14,950	\$ 15,473	\$ -	\$ 45,113		
Total FRC Staff Salary	\$ 158,233	\$ 44,667	\$ 44,927	\$ 45,450	\$ -	\$ 135,044		23,189
Contracted Services	\$ 50,000							
Travel (Staff & Members)		\$ 1,903	\$ 1,092	\$ 1,121	\$ -	\$ 4,116		
Equipment/Space Rental		\$ 810	\$ 1,859	\$ -	\$ -	\$ 2,669		
Professional Fees - Independent Contractors (CART, Interpreters)		\$ 350	\$ 2,567	\$ -	\$ -	\$ 2,917		
Education/Training and Supplies (Awards, Plaques, Printing, Misc Supplies)		\$ 214	\$ 557	\$ 310	\$ -	\$ 1,081		
Public Service Announcements (Florida Admin Weekly, Misc. Advertising)		\$ 37	\$ 55	\$ 18	\$ -	\$ 110		
Total Contracted Services	\$ 50,000	\$ 3,314	\$ 6,130	\$ 1,449	\$ -	\$ 10,893		\$ 39,107
Total		\$ 47,981	\$ 51,057	\$ 46,899	\$ -	\$145,937		\$ 62,296

Notes:

1. FRC does not receive a specific appropriation therefore, VR allocates a portion of it's federal budget authority (appropriation).
2. FRC Staff budget allocation is determined by current salary.
3. Balance at 6/30/26 reverts and does not carry forward.

FRC CORRESPONDENCE SUMMARY

January 28, 2026 – April 10, 2026

Total Contacts: 11

Inquiries: 11 - Provided a specific link/email and referred to the Vocational Rehabilitation (VR) Ombudsman Office and provided information about the Disability Rights Client Assistance Program.

Complaints: 0 - Referred to the VR Ombudsman Office and Disability Rights Client Assistance Program.

The following are the redacted letters of inquiries/complaints received:

Thank you for your interest in the Florida Rehabilitation Council.

Members are appointed by the governor, and the majority of members must be representatives of individuals with disabilities. Each member is unique. Some of the things they have in common are the:

Commitment to public service

Willingness to learn

Commitment to build and sustain relationships

Desire to take risks, try new things and to make mistakes

Willingness to work

Ability to follow through

Desire to listen

Ability to express a vision

Willingness to collaborate with people with different points of view, and

Ability to advocate for individuals you represent

To apply, send an email to: appointments@eog.myflorida.com

Or use the link below:

<https://www.flgov.com/eog/leadership/appointments>

FRC Response: Provided link to the Office of the Governor

Thank you for contacting the Florida Rehabilitation Council (FRC).

The FRC works with the Division of Vocational Rehabilitation (VR) in planning and developing statewide rehabilitation programs and services which create opportunities to employ all people with disabilities in competitive jobs of their choice.

You mentioned that you are requesting your psychological report or documents confirming that you have an IEP. Since this is not something the council typically handles, it would be best to reach out to your counselor or your high school's counseling office to obtain those records. I have also provided links and an email address to help you connect with the right people who can assist you.

Area Offices | Vocational Rehabilitation | Florida Department of Education

For additional help or information, please contact the following:

The Ombudsman's Office is a service available to individuals who have questions or concerns about the VR program. The Ombudsman's office will be able to assist you in answering any questions you have regarding VR services and addressing your concerns. To contact the Ombudsman's Office, please call 866-515-3692 or e-mail them at Ombudsman@vr.fldoe.org.

Also, Disability Rights Florida (DRF) is the designated protection and advocacy system for individuals with disabilities in the state of Florida. If you should need advocacy assistance, you may contact the Disability Rights Florida, Client Assistance Program at 800-342-0823 or through their website at http://www.disabilityrightsflorida.org/contact/contact_info.

Please let us know if we can provide any further information or assistance. You can contact us at FRCCustomers@vr.fldoe.org or by telephone at 850-245-3397.

FRC Response: Informed client to reach out to her counselor or high school counselor and provided the link to the area offices.

Thank you for contacting the Florida Rehabilitation Council (FRC).

3

Florida Workforce Integrated Networking Systems (FL WINS)

Implementation Updates

- VR staff received training on the FL WINS system and features in April
- VR HQ and field staff continue to provide testing support
- Division of Blind Services (DBS), Early Learning and Employ Florida are being added into the system

Goals of FL WINS

- Public facing participant portal
- Common intake form
- Integrated participant record and data solution for workforce partners

4

4

Bureau of Compliance and Quality Assurance (BCQA) Highlights

Federal Monitoring and Reporting

- RSA Monitoring Q3 progress report submitted in April
- Remaining corrective actions are fiscal reporting reviews

Quality Assurance

- Nine programmatic case reviews completed on over 3,000 individual cases
- Nine operational reviews completed on over 2,500 individual cases

Support for FL WINS

- BCQA leading VR's system testing of FL WINS components
- Participated on Organizational Change Management team to develop approaches to roll out FL WINS across partner agencies

5

Bureau of Policy, Learning and Engagement (BPLE) Updates

Learning and Development Office

- New Counselor Training provided to 22 VR staff
- Coordinated and participated in the FL WINS Train-the-Trainer initiative
- Additional targeted trainings and open calls

Communications

- Developed VR Connect newsletter for sharing operational updates and new information within VR
- Updated VR templates and branding materials
- Revised VR Avenues (VR intranet) to reflect organizational updates

6

Bureau of Field Services (BFS) Highlights

Field staff collaborating to review cases and enhance services for Competitive Integrated Employment

Business Relations is piloting a new initiative: Manufacturing 101

The Deaf, Hard of Hearing, and DeafBlind Services Unit is updating ADA training modules

Leasing Unit is finalizing year-end purchases and planning next fiscal year funding

The Florida Department of Education, Division of Vocational Rehabilitation (VR) is an equal opportunity employer. It is against the law for VR as a recipient of Federal financial assistance to discriminate against any individual in the United States on the basis of race, color, religion, sex, national origin, age, disability, political affiliation or belief. The application process used by VR to determine eligibility for services, any subsequent services and the entire VR process are subject to these non-discrimination requirements. Auxiliary aids and services are available upon request to individuals with disabilities. VR program receives 78.7 percent of its funding through a grant from the U.S. Department of Education. For the 2021 Federal fiscal year, the total amount of grant funds awarded were \$176,521,122. The remaining 21.3 percent of the costs (\$47,775,094) were funded by Florida State Appropriations. Revised October 2022.

Florida Department of Education, Division of Vocational Rehabilitation

Five-Year Performance Report

Required per CS/CS/HB 7029 (2016), Chapter 2016-237, Laws of Florida, Section 38

Prepared by the Bureau of Compliance and Quality Assurance, Division of Vocational Rehabilitation
12-1-2025

Executive Summary

With a mission to improve employment outcomes for individuals with disabilities and enhance their independence, the Florida Department of Education's Division of Vocational Rehabilitation (VR) is well equipped to help Florida's jobseekers turn their employment goals into lasting careers. From postsecondary education, job exploration and self-advocacy training for youth and students transitioning into adulthood, to benefits counseling, job readiness training and job placement assistance, VR offers a wide array of services to help customers obtain the education, training and supports needed to achieve their employment goals. VR assists customers with all disability types; services are personalized for each customer based on their employment plan developed in partnership with a skilled rehabilitation counselor. VR continues to increase customer engagement through outreach and partnerships, allowing VR to implement more innovative approaches to service delivery.

VR supported 4,875 customers in achieving competitive integrated employment during State Fiscal Year (SFY) 2024-25. Targets were exceeded on multiple federal performance measures; notably, Median Earnings Second Quarter after Exit increased by \$169 per quarter, and Credential Attainment Rate increased by over 11 percentage points.

VR has made a great effort to continue providing services to Floridians with disabilities efficiently and effectively. As a result, for every \$1 invested in rehabilitating a customer, an estimated \$9.16 was returned to the Florida economy in SFY 2024-25¹. In recent years, VR has placed great emphasis on decreasing the amount of time required for customers to start receiving services. During SFY 2024-25, VR achieved a 13.8 percent decrease in the average number of days between application and service provision, meaning that customers are getting into services an average of two weeks faster than during the prior year, totaling a 14-week reduction since SFY 2022-23.

¹ Source: Analysis of customer data extracted from the Aware Case Management System.

Report Purpose

The 2016 Florida Legislature passed CS/CS/HB 7029, Chapter 2016-237, Laws of Florida, and CS/HB 901, Chapter 2020-085 to establish the following performance reporting requirements:

By December 1 of each year, the division shall submit a performance report to the Governor, the President of the Senate and the Speaker of the House of Representatives that includes the following information for each of the five most recent fiscal years:

- (a) Caseload data, by service type and service area, including the number of individuals who apply for services and the timeframes in which eligibility is determined, plans are developed and services are provided.
- (b) Service use data, by service type, including the number of units of service provided, statewide and by service area.
- (c) Financial data, by service type, including expenditures for administration and the provision of services. Expenditure data shall be reported on a statewide basis and by service area, and expenditures for education-related services are identified in specific categories such as tuition and fees, program fees and support services.
- (d) Outcome data, statewide and by service area, including the number of cases closed without employment and the number of cases closed with employment. Employment data are provided separately for supported employment.
- (e) Matching fund data, including the sources and amounts of matching funds received by the division and the extent to which the state is meeting its cost-sharing requirements.
- (f) Transition services data, including pre-employment transition services, for students and youth with disabilities by service type, including expenditure data on a statewide and service area basis, employment outcomes achieved by youth served and postsecondary enrollment rates.

Report Format

This report provides an overview of VR performance measures across the reporting timeframe (pages 4-10) and is organized into sections by SFY, with subsections for each topic identified in the law (pages 11-51). Subsections are introduced by a brief explanatory paragraph, followed by performance data tables. All data was queried from the VR Aware case management system, except for administration expenditures, which were queried from the Florida Accounting Information Resource system (FLAIR).

Contextual information is provided in the following appendices: **Appendix A (pp. 52-59)** includes definitions and data limitations for performance measures; **Appendix B (pg. 60)** includes a Florida map noting VR service areas; and **Appendix C (pp. 61-62)** includes a chronological overview of changes to Order of Selection (OOS) management, components of the Workforce Innovation and Opportunity Act (WIOA) and other notable events impacting service delivery during the reporting timeframe.

Overview of VR Performance Measures

FIGURE 1. CASELOAD MEASURES ACROSS STATE FISCAL YEARS

Data Note: Applicants are individuals who apply for traditional VR services; this measure does not include potentially eligible students who are not required to apply for VR services. The average length of time for participants to complete the VR process and gain employment is 27 months. Pre-employment transition services (Pre-ETS) are available to students and youth with disabilities and focus on job exploration and developing the skills, education and experiences needed to successfully transition from school to post-secondary education or employment.

FIGURE 2. PERCENT SERVED BY PRIMARY DISABILITY CLASSIFICATION

Data note: In SFY 2023-24, VR updated its disability classifications to align with the Rehabilitation Services Administration (RSA) reporting requirements and increase consistency across reports. The graph above reflects the updated disability classifications, and data for prior years is available in the annual sections of this report. RSA reporting requirements are contained in RSA’s Policy Directive 23-04; RSA-911 Reporting Requirements.

FIGURE 3. EXPENDITURES ACROSS STATE FISCAL YEARS

Data note: Administration - Direct costs include expenses for operating VR and Supported Employment programs, staff travel, rent, utilities and supplies. Administration - Indirect costs include additional operating costs and facilities, or administrative costs not included in Direct Costs.

TABLE 1. MATCHING FUNDS ACROSS FEDERAL FISCAL YEARS

Matching Fund Data	Total Federal Grant Amount	Federal Grant Amount Received	Total General Revenue (GR) Match Received	Additional GR Required to Receive Entire Federal Grant
FFY 2020	\$174,494,359	\$153,000,000	\$41,409,149	\$5,817,406
FFY 2021	\$178,840,412	\$176,758,208	\$47,839,261	\$563,544
FFY 2022	\$180,491,722	\$176,521,122	\$47,775,094	\$1,074,635
FFY 2023	\$190,286,730	\$180,693,519	\$48,904,345	\$2,596,384
FFY 2024	\$192,335,323	\$184,931,573	\$50,051,366	\$2,003,810

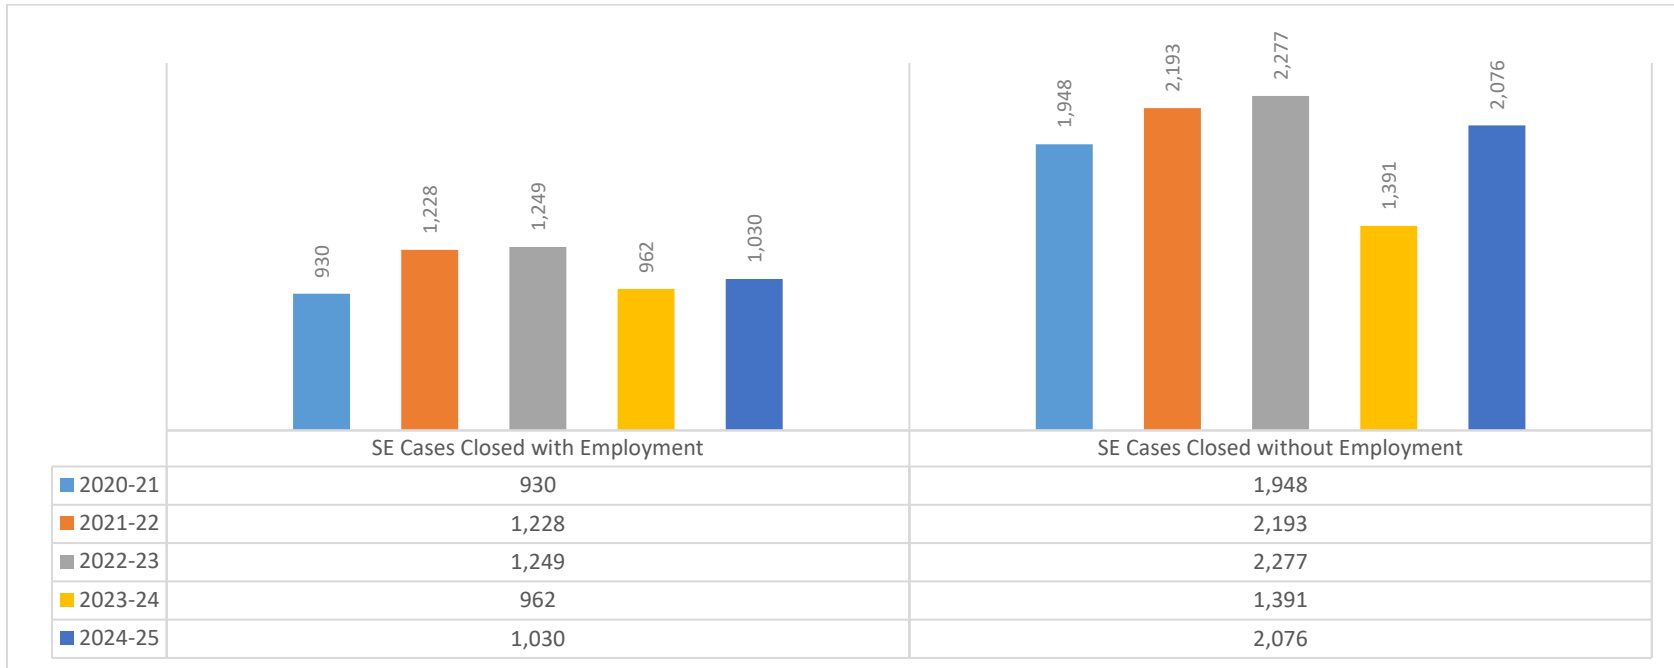

Data note: Federal grant funds are awarded on a federal fiscal year timeframe. VR receives 21.3% of its funding from General Revenue and 78.7% of its funding through a grant from the U.S. Department of Education. General Revenue funds are used to 'draw down' federal funds (34 CFR 361.60(a) and (b)).

FIGURE 4. VR PROGRAM OUTCOMES ACROSS STATE FISCAL YEARS

Data Note: The U.S. Department of Education’s designated closure reasons for cases closed without employment are: no longer interested; unable to locate or contact; all other reasons; health/medical – longer than 90 days; death; criminal offender – in correctional institution; transferred to another agency; in institution other than prison/jail; disability too significant – ineligible; foster care – moved from area; reserve forces called to active duty; and ineligible – after determined eligible.

FIGURE 5. SUPPORTED EMPLOYMENT OUTCOMES ACROSS STATE FISCAL YEARS

Data note: Supported Employment Services assist youth or adults with the most significant disabilities obtain and maintain competitive, integrated employment. Services are individualized and consistent with the unique strengths, abilities, interests and informed choice of the individual to help them succeed. A variety of support services are available. VR coordinates with individuals and providers to deliver necessary ongoing support services.

FIGURE 6. WORKFORCE INNOVATION AND OPPORTUNITY ACT (WIOA) PERFORMANCE MEASURES

Data Note: WIOA is designed to give job seekers easier access to employment, education, training, and support services needed to succeed in the labor market, and to match employers with the skilled workers they need to compete in the global economy. The act includes updated common performance measures for WIOA core partners that necessitate increased coordination and data sharing. The use of targets for the above indicators, jointly set by the state VR agency and the RSA, began SFY 2022-23.

Section 1. SFY 2024-25

(a) Caseload Summary

The following section includes VR caseload measures for SFY 2024-25. Caseload measures are reported by geographic service area, with statewide totals for each measure. For more information on VR service areas, please refer to the VR service area map in Appendix B (pg. 58). The section also includes a breakdown of customers served by primary disability classification and age group, reported by geographic service area and statewide percentage. Data was queried from Aware and calculated using VR standard definitions and calculations.

Caseload	Area 1	Area 2	Area 3	Area 4	Area 5	Area 6	Area 7	Statewide
Number of Applicants	1,822	3,155	3,633	2,773	1,535	3,167	3,009	19,094
Number Determined Eligible	1,641	2,915	3,316	2,542	1,434	2,824	2,642	17,314
Number Receiving Services	4,759	6,731	8,357	6,699	3,136	9,499	5,884	45,065

Service Timeframes	Area 1	Area 2	Area 3	Area 4	Area 5	Area 6	Area 7	Statewide
Days between Application and Eligibility Determination	34	33	39	37	18	33	22	32
Days between Application and Plan Development	78	89	98	84	45	88	56	80
Days between Application and Service Provision	85	100	94	90	53	89	52	81

Total	4,759	6,731	8,357	6,699	3,136	9,499	5,884	45,065

(b) Service Use

The following section includes VR service use data for SFY 2024-25. Services include the number of units of each service purchased and the number of customers who received the service. Customers may receive multiple services based on their Individualized Plan for Employment. Service use data are reported by geographic service area, with statewide totals. Data was queried from Aware and calculated using the RSA definitions and methodology (updated per Policy Directive 23-04; RSA-911 Reporting Requirements).

(c) Financial Expenditures

The following section includes VR expenditures for SFY 2024-25. Expenditures are grouped by administration and service provision (purchased client services) expenditures and reported by geographic service area with statewide totals. Data for administration expenditures was queried from FLAIR and calculated using the RSA report definitions and methodology. Service provision expenditures were queried from Aware and calculated using RSA definitions and methodology (updated per Policy Directive 23-04; RSA-911 Reporting Requirements).

Administration	Headquarters	Area 1	Area 2	Area 3	Area 4	Area 5	Area 6	Area 7	Statewide
Direct Costs	\$6,277,011	\$7,940,198	\$7,433,443	\$9,462,750	\$9,508,789	\$5,182,248	\$9,047,785	\$6,232,360	\$61,084,584

Section 2. SFY 2023-24

(a) Caseload Summary

The following section includes VR caseload measures for SFY 2023-24. Caseload measures are reported by geographic service area, with statewide totals for each measure. For more information on VR service areas, please refer to the VR service area map in Appendix B (pg. 58). The section also includes a breakdown of customers served by primary disability classification and age group, reported by geographic service area and statewide percentage. Data was queried from Aware and calculated using VR standard definitions and calculations.

Caseload	Area 1	Area 2	Area 3	Area 4	Area 5	Area 6	Area 7	Statewide
Number of Applicants	1,513	2,704	3,465	2,572	1,401	2,727	2,613	16,995
Number Determined Eligible	1,285	2,264	2,975	2,198	1,188	2,261	2,137	14,308
Number Receiving Services	4,185	5,889	7,424	6,232	2,839	8,433	5,072	40,074

Service Timeframes	Area 1	Area 2	Area 3	Area 4	Area 5	Area 6	Area 7	Statewide
Days between Application and Eligibility Determination	36	43	44	38	28	36	27	37
Days between Application and Plan Development	84	101	96	91	71	89	61	86
Days between Application and Service Provision	99	120	106	99	79	97	63	94

Customers Served by Primary Disability

Total	4,185	5,889	7,424	6,231	2,840	8,433	5,072	40,074

(b) Service Use

The following section includes VR service use data for SFY 2023-24. Services include the number of units of each service purchased and the number of customers who received the service. Customers may receive multiple services based on their Individualized Plan for Employment. Service use data are reported by geographic service area, with statewide totals. Data was queried from Aware and calculated using the RSA definitions and methodology (updated per Policy Directive 19-03; RSA-911 Reporting Requirements).

(P) denotes Pre-Employment Transition Services

(c) Financial Expenditures

The following section includes VR expenditures for SFY 2023-24. Expenditures are grouped by administration and service provision (purchased client services) expenditures and reported by geographic service area with statewide totals. Data for administration expenditures was queried from FLAIR and calculated using the RSA report definitions and methodology. Service provision expenditures were queried from Aware and calculated using RSA definitions and methodology (updated per Policy Directive 19-03; RSA-911 Reporting Requirements).

Administration	Headquarters	Area 1	Area 2	Area 3	Area 4	Area 5	Area 6	Area 7	Statewide

Closed without Employment	58	225	279	301	224	179	144	1,410

Section 3. SFY 2022-23

(a) Caseload Summary

The following section includes VR caseload measures for SFY 2022-23. Caseload measures are reported by geographic service area, with statewide totals for each measure. For more information on VR service areas, please refer to the VR service area map in Appendix B (pg. 58). The section also includes a breakdown of customers served by primary disability group, reported by geographic service area and statewide percentage. Data was queried from the VR case management system and calculated using VR standard definitions and calculations.

Caseload	Area 1	Area 2	Area 3	Area 4	Area 5	Area 6	Area 7	Statewide
Number of Applicants	1,592	2,424	3,272	2,316	1,155	2,472	2,257	15,488
Number Determined Eligible	1,452	2,300	3,153	2,222	1,155	2,306	2,132	14,720

(b) Service Use

The following section includes VR service use data for SFY 2022-23. Services include the number of units of each service purchased and the number of customers who received the service. Customers may receive multiple services based on their Individualized Plan for Employment. Service use data are reported by geographic service area, with statewide totals. Data was queried from the VR case management system and calculated using the RSA definitions and methodology (updated per Policy Directive 19-03; RSA-911 Reporting Requirements).

(P) denotes Pre-Employment Transition Services

*VR Counseling and Guidance services are provided primarily by VR staff.

(c) Financial Expenditures

The following section includes VR expenditures for SFY 2022-23. Expenditures are grouped by administration and service provision (purchased client services) expenditures and reported by geographic service area with statewide totals. Data for administration expenditures was queried from FLAIR and calculated using the RSA report definitions and methodology. Service provision expenditures were queried from the VR case management system and calculated using RSA definitions and methodology (updated per Policy Directive 19-03; RSA-911 Reporting Requirements).

Section 4. SFY 2021-22

(a) Caseload Summary

The following section includes VR caseload measures for SFY 2021-22. Caseload measures are reported by geographic service area, with statewide totals for each measure. For more information on VR service areas, please refer to the VR service area map in Appendix B (pg. 58). The section also includes a breakdown of customers served by primary disability group, reported by geographic service area and statewide percentage. Data was queried from the VR case management system and calculated using VR standard definitions and calculations.

Caseload	Area 1	Area 2	Area 3	Area 4	Area 5	Area 6	Area 7	Statewide
Number of Applicants	1,456	2,435	3,296	2,428	1,342	2,464	2,496	15,917
Number Determined Eligible	1,281	2,252	3,041	2,218	1,205	2,225	2,283	14,505
Number Receiving Services	4,800	6,931	7,993	6,565	3,266	9,080	6,269	44,904

(b) Service Use

The following section includes VR service use data for SFY 2021-22. Services include the number of units of each service purchased and the number of customers who received the service. Customers may receive multiple services based on their Individualized Plan for Employment. Service use data are reported by geographic service area, with statewide totals. Data was queried from the VR case management system and calculated using the RSA definitions and methodology (updated per Policy Directive 19-03; RSA-911 Reporting Requirements).

*VR Counseling and Guidance services are provided primarily by VR staff.

(c) Financial Expenditures

The following section includes VR expenditures for SFY 2021-22. Expenditures are grouped by administration and service provision (purchased client services) expenditures and reported by geographic service area with statewide totals. Data for administration expenditures was queried from FLAIR and calculated using the RSA report definitions and methodology. Service provision expenditures were queried from the VR case management system and calculated using RSA definitions and methodology (updated per Policy Directive 19-03; RSA-911 Reporting Requirements).

Closed with Employment	102	188	257	106	112	181	89	1,035
Closed without Employment	190	460	480	384	283	419	415	2,631

Section 5. SFY 2020-21

(a) Caseload Summary

The following section includes VR caseload measures for SFY 2020-21. Caseload measures are reported by geographic service area, with statewide totals for each measure. For more information on VR services areas, please refer to the VR service area map in Appendix B (pg. 58). The section also includes a breakdown of customers served by primary disability group, reported by geographic service area and statewide percentage. Data was queried from the VR case management system and calculated using VR standard definitions and calculations.

Caseload	Area 1	Area 2	Area 3	Area 4	Area 5	Area 6	Area 7	Statewide
Number of Applicants	1,403	2,455	3,017	2,224	1,380	2,678	2,118	15,275
Number Determined Eligible	1,204	2,177	2,815	1,979	1,230	2,440	1,929	13,774
Number Receiving Services	4,951	7,382	8,528	6,354	3,312	9,316	6,482	46,325

Service Timeframes	Area 1	Area 2	Area 3	Area 4	Area 5	Area 6	Area 7	Statewide
Days between Application and Eligibility Determination	40	40	37	40	35	31	23	35
Days between Application and Plan Development	111	110	103	99	98	93	70	97
Days between Application and Service Provision	256	280	222	212	208	268	175	232

Primary Disability Group	Area 1	Area 2	Area 3	Area 4	Area 5	Area 6	Area 7	Statewide

Total	100%	100%	100%	100%	100%	100%	100%	100%

(b) Service Use

The following section includes VR service use data for SFY 2020-21. Services include the number of units of each service purchased and the number of customers who received the service. Customers may receive multiple services based on their Individualized Plan for Employment. Service use data are reported by geographic service area, with statewide totals. Data was queried from the VR case management system and calculated using the RSA definitions and methodology (updated per Policy Directive 16-04; RSA-911 Reporting Requirements).

(P) denotes Pre-Employment Transition Services

*VR Counseling and Guidance services are provided primarily by VR staff.

(d) Outcomes

The following section includes VR outcome measures for SFY 2020-21. Outcome measures are grouped by VR and supported employment programs, and are reported by geographic service area with statewide totals. Data was queried from the VR case management system and calculated using VR standard definitions and calculations.

VR Program	Area 1	Area 2	Area 3	Area 4	Area 5	Area 6	Area 7	Statewide
Cases Closed with Employment	603	839	1047	636	439	941	550	5,055
Cases Closed without Employment	607	1,375	1,911	948	640	1,092	1,497	8,070
Supported Employment	Area 1	Area 2	Area 3	Area 4	Area 5	Area 6	Area 7	Statewide
Supported Employment Cases Closed with Employment	70	162	189	165	108	54	182	930
Supported Employment Cases Closed without Employment	83	318	458	248	170	89	582	1,948
Post-Secondary Enrollment	Area 1	Area 2	Area 3	Area 4	Area 5	Area 6	Area 7	Statewide
Enrolled	107	208	603	357	397	1,588	422	3,682
Not Enrolled	1,390	2,476	2,387	1,858	1,046	2,458	1,981	13,596
Youth Employment Outcomes	Area 1	Area 2	Area 3	Area 4	Area 5	Area 6	Area 7	Statewide
Closed with Employment	75	194	191	114	102	181	94	951
Closed without Employment	157	375	568	263	243	421	418	2,445

Appendix A. Performance Measure Definitions

Measure	Definition
Administration Expenditures	Expenditures incurred in the performance of administrative functions under the vocational rehabilitation program, including expenses related to program planning, development, monitoring and evaluation. Examples include, but are not limited to, expenditures for quality assurance; budgeting, accounting, financial management and information systems; providing program information to the public; technical assistance and support services to other state agencies, private nonprofit organizations, and businesses and industries; State Rehabilitation Council and other advisory committees; professional organization membership dues for Designated State Unit (DSU) employees; the removal of architectural barriers in state VR agency offices and state-operated rehabilitation facilities; operating and maintaining DSU facilities, equipment, and grounds; supplies; administration of the Comprehensive System of Personnel Development, including personnel administration, training and staff development; administrative salaries, including support staff; travel costs, costs incurred in conducting reviews of determinations made by personnel of the DSU; and legal expenses (34 CFR 361.5(c)(2)).
Assessment	Services provided and activities performed to determine an individual’s eligibility for VR services, to assign an individual to a priority category of a state VR agency that operates under an order of selection and/or to determine the nature and scope of VR services to be included in the Individualized Plan for Employment (IPE). Included are trial work experiences and extended evaluations. Assessments to determine eligibility, assignment of a priority category or the nature or scope of services to be included on the IPE include, but are not limited to, psychological assessments; audiological evaluations; dental and medical exams and other assessments of personality, interests, interpersonal skills, intelligence and related functional capacities; educational achievements, work experience, vocational aptitudes; personal and social adjustments; and employment opportunities of the individual and the medical, psychiatric, psychological and other pertinent vocational, educational, cultural, social, recreational and environmental factors that affect the employment and rehabilitation needs of the individual. (34 CFR 361.5(c)(5) and 34 CFR 361.48)

Measure	Definition
Basic Academic Remedial or Literacy Training	Literacy training or training provided to remediate basic academic skills that are needed to function on the job in the competitive labor market.
Benefits Counseling	<p>Assistance provided to an individual who is interested in becoming employed, but is uncertain of the impact work income may have on any disability benefits and entitlements being received, and/or is not aware of benefits, such as access to healthcare, that might be available to support employment efforts.</p> <p>This typically involves an analysis of an individual’s current benefits, such as SSDI and SSI, the individual’s financial situation and the effect different income levels from work will have on the individual’s future financial situation. This assistance is intended to provide the individual an opportunity to make an informed decision regarding the pursuit of employment.</p> <p>Ongoing assistance may also be provided as the individual decides on employment goals, searches for jobs, and becomes employed.</p>
Closed cases with employment (VR and SE)	Counts successful closures. Customer cases closed with employment are counted if they exited the program in competitive integrated employment or self-employment during the month being reported.
Closed cases without employment (VR and SE)	Counts “in service” cases closed without employment. Reasons for a customer’s case closure without employment include, but are not limited to, the following situations; customer is no longer interested in services, unable to locate/contact, transferred to another agency, death, in jail or prison, in institution other than prison/ jail, transportation not feasible or available, disability is too significant, or customer is receiving extended employment services.
Customized Employment Services	Services that involve a blend of flexible strategies that result in the provision of individually negotiated and designed services, supports and job opportunities for an individual with a disability and that lead to an employment outcome of customized employment, including self-employment. A key factor in deciding if a service is a customized employment service is the presence of employer negotiation, including customizing a job description based on current unidentified and unmet needs of the employer and the needs of the employee; developing a set of job duties or tasks; developing a work schedule (including determining hours worked); determining a job location; developing a job arrangement (such as job carving, job sharing, or a split schedule); or determining specifics of supervision.

Measure	Definition
Diagnosis and Treatment of Impairments	<p>Diagnosis and treatment of impairments are those services beyond assessment as defined in 34 CFR 361.5(c)(5). This category is not meant to include assessment services such as a psychological or psychiatric evaluation or medical or dental exam. The services in this service category refer to the diagnosed disability and are necessary for the achievement of the individual’s employment goal. (34 CFR 361.48)</p> <p>Diagnosis and Treatment of Impairments means:</p> <ul style="list-style-type: none"> a) Corrective surgery or therapeutic treatment that is likely, within a reasonable period of time, to correct or modify substantially a physical or mental impairment that constitutes a substantial impediment to employment; b) Diagnosis and treatment for mental and emotional disorders by qualified personnel who meet state licensure laws; c) Dentistry; d) Nursing services; <p>Diagnosis and Treatment of Impairments includes:</p> <ul style="list-style-type: none"> a) Corrective surgery or therapeutic treatment that is likely, within a reasonable period of time, to correct or modify substantially a physical or mental impairment that constitutes a substantial impediment to employment; b) Diagnosis and treatment for mental and emotional disorders by qualified personnel who meet state licensure laws; c) Dentistry; d) Nursing services; e) Necessary hospitalization (either inpatient or outpatient care) in connection with surgery or treatment; f) Drugs and supplies; g) Prescription of prosthetics and/or orthotics related to the individual’s diagnosed disability and necessary for the achievement of the employment outcome; h) Prescription of eyeglasses and visual services, including visual training, related to the individual’s diagnosed disability and necessary for the achievement of the employment outcome; i) Podiatry;

Measure	Definition
	<p>j) Physical therapy;</p> <p>k) Occupational therapy;</p> <p>l) Speech or hearing therapy;</p> <p>m) Mental health services;</p> <p>n) Treatment of either acute or chronic medical complications and emergencies that are associated with or arise out of the provision of physical and mental restoration services or that are inherent in the condition under treatment (34 CFR 365.1(c)(39));</p> <p>o) Special services for the treatment of individuals with end-stage renal disease, including transplantation, dialysis, artificial kidneys and supplies;</p> <p>p) Other medical or medically related rehabilitation services; and</p> <p>q) Medical care for acute conditions arising during rehabilitation and constituting a barrier to the achievement of an employment outcome.</p>
Direct Administration Costs	The amount expended on direct costs, including administrative personnel, and all other VR and SE program administrative expenses. Other administrative expenses include staff travel, rent, utilities and supply costs, etc. of administration, district and field offices, as well as personnel costs of supervisors who do not manage a caseload or perform the functions of a VR counselor.
Disability-Related Skills Training	Disability-related augmentative skills training includes, but is not limited to, orientation and mobility; rehabilitation teaching; training in the use of low vision aids; Braille; speech reading; sign language; and cognitive training/retraining.
Employment Rate	The employment rate is calculated by dividing the number of cases closed with employment by the sum of the number of cases closed with employment and the number of cases closed without employment.
Four-Year College or University Training	Full-time or part-time academic training leading to a baccalaureate degree, a certificate or other recognized educational credential. Such training may be provided by a four-year college, university or technical college.
Graduate College or University Training	Full-time or part-time academic training leading to a degree recognized as being beyond a baccalaureate degree, such as a Master of Science, Arts (M.S. or M.A.), Doctor of Philosophy (Ph.D.) or Doctor of Jurisprudence (J.D.). Such training may be provided by a college or university.

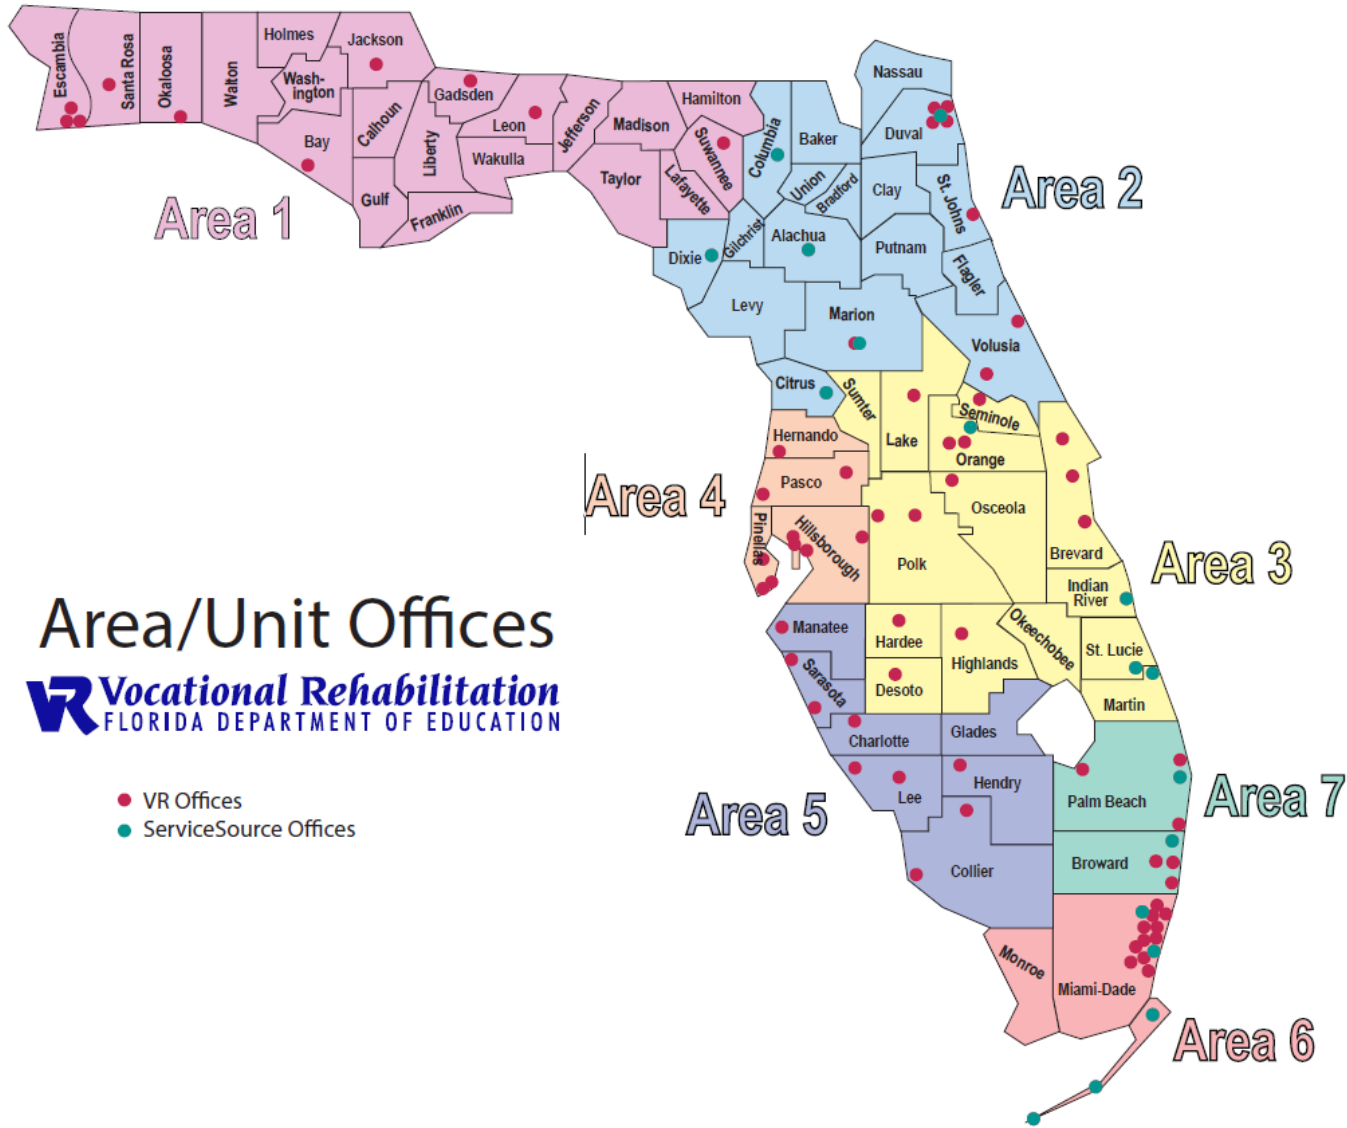

Measure	Definition
Home Modification	Includes necessary home modification services that address appropriate accommodations to, and modifications of, any living space occupied by a VR program participant. These may include additions, improvements, modifications, replacements, rearrangements, reinstallations, renovations or alterations to capital assets that materially increase their value or useful life.
Indirect Administration Costs	The amount expended for administrative costs claimed through either an approved Indirect Cost Rate Agreement or Cost Allocation Plan (2 CFR 225, Appendix B), including administration personnel.
Instruction to Self-Advocacy	Teaches students self-determination skills such as self-advocacy and self-awareness. Youth peer mentoring leverages like-aged peers to engage youth by connecting them to long-term community resources and delivering initial social supports.
Interpreter Services	Sign language or oral interpretation services for individuals who are deaf or hard of hearing and tactile interpretation services for individuals who are deaf-blind. Specially trained individuals perform sign language or oral interpretation. Also includes real-time captioning services for persons who are deaf or hard of hearing.
Job Exploration Counseling	Includes guidance, discussion, assessments, training and support materials to help students identify skills, abilities, aptitude and interests and explore career options after high school.
Job Placement Assistance	Referral to a specific job resulting in an interview, whether or not the individual obtained the job.
Job Readiness Training	Training to prepare an individual for the world of work (e.g., appropriate work behaviors, getting to work on time, appropriate dress and grooming, increasing productivity).
Job Search Assistance	Job search activities support and assist an individual in searching for an appropriate job. Job search assistance may include help in resume preparation, identifying appropriate job opportunities, developing interview skills and making contacts with companies on behalf of the consumer.
Junior or Community College Training	Full-time or part-time academic training above the high school level leading to an associate degree, a certificate or other recognized educational credential. Such training may be provided by a community college, junior college or technical college.
Maintenance	Monetary support provided for those expenses such as food, shelter and clothing that are in excess of the normal expenses of the individual, and that are necessitated by the individual's

Measure	Definition
	<p>participation in an assessment for determining eligibility and VR needs or while receiving services under an IPE. Examples of maintenance expenses include, but are not limited to:</p> <ul style="list-style-type: none"> a. cost of uniforms or other suitable clothing required for an individual's job placement or job seeking activities; b. cost of short-term expenses, such as food and shelter, that is required for an individual to participate in assessment or vocational training at a site that is not within commuting distance of an individual's home; c. initial one-time costs, such as security deposits or charges for the initiation of utilities, that are required for an individual to relocate for a job placement; and d. cost of an individual's participation in enrichment activities related to that individual's training program.
Miscellaneous Training	Any training not recorded in one of the other categories listed, including GED or high school training leading to a diploma or courses taken at four-year, junior or community colleges.
Number determined eligible	Includes only eligibility decisions where the customer is determined to be eligible.
Number of applicants	Includes all customers who applied for VR services during the timeframe being reported.
Number received services	Number of customers who are active and reached "in service" status by the end of the month.
Occupational or Vocational Training	Occupational, vocational or job skill training provided by a community college and/or business, vocational/trade or technical school to prepare students for gainful employment in a recognized occupation, not leading to an academic degree or certification. This would include selected courses or programs of study at a community college, four-year college, university, technical college, or proprietary schools or programs.
On-the-Job Training	Training in specific job skills by a prospective employer. Generally the trainee is paid during this training and will remain in the same or a similar job upon successful completion.
Other Services	<p>All other VR services that cannot be recorded elsewhere. Included here are occupational licenses, tools and equipment, initial (start-up) materials and supplies.</p> <p>Per direction from RSA in September 2015, this category also includes pre-employment transition services and extended supported employment services to youth with the most significant disabilities for federal reporting purposes, until FFY 2017-18.</p>

Measure	Definition
Percent served by disability classification/group	Percent of all customers who have entered services who are in a specific disability classification (SFY 2023-24 and after) or group (prior to SFY 2023-24).
Personal Attendant Services	Personal services that an attendant performs for an individual with a disability including, but not limited to, bathing, feeding, dressing, providing mobility and transportation, etc., in multiple settings to include home, work and training facilities/school.
Rehabilitation Technology	Systematic application of technologies, engineering methodologies or scientific principles to meet the needs of, and address the barriers confronted by, individuals with disabilities in areas that include education, rehabilitation, employment, transportation, independent living, recreation, home and vehicular modification, other assistive devices including, but not limited to hearing aids, low vision aids and wheelchairs. Includes rehabilitation engineering, assistive technology devices and assistive technology services. See also 34 CFR 361.5(c)(45). The term includes Rehabilitation Engineering Services, which is the systematic application of engineering sciences to design, develop, test, evaluate, apply and distribute technological solutions to problems confronted by VR individuals in functional areas such as mobility, communications, hearing, vision and cognition.
Return on Investment (ROI)	The ROI amount is an estimation of the tax and economic benefits generated by gainfully employed VR customers' adjusted, additional income obtained over their work life, as a result of services received from VR.
Short Term Job Supports	Support services provided to an individual who has been placed in employment in order to stabilize the placement and enhance job retention. Such services include short-term job coaching for persons who do not have a supported employment goal consistent with the employment goal on their IPEs.
Supported Employment Services	Ongoing support services, including customized employment and other appropriate services needed to support and maintain an individual with a most significant disability, including a youth with a most significant disability in supported employment that are (1) Organized and made available, singly or in combination, in such a way as to assist an eligible individual to achieve competitive integrated employment; (2) Based on a determination of the needs of an eligible individual, as specified in an individualized plan for employment; (3) Provided by the designated state unit for a period of time not to exceed 24 months, unless under special

Measure	Definition
	circumstances the eligible individual and the rehabilitation counselor jointly agree to extend the time to achieve the employment outcome identified in the individualized plan for employment; and (4) Following transition as post-employment services that are unavailable from an extended services provider and that are necessary to maintain or regain the job placement or advance in employment.
Technical Assistance Services including Self-Employment	Services provided to conduct market analyses, to develop business plans and to provide resources to individuals in the pursuit of self-employment, telecommuting and small business operation outcomes.
Transportation	<p>Transportation, including adequate training in the use of public transportation vehicles and systems, travel and related expenses that are necessary to enable an applicant or eligible individual to participate in a VR service. Examples of transportation services/expenses include, but are not limited to:</p> <ul style="list-style-type: none"> a. travel and related expenses for a personal care attendant or aide if the services of that person are necessary to enable the individual to travel to participate in any VR service; b. relocation expenses incurred by the individual in connection with a job placement that is a significant distance from the individual's current residence; c. purchase and repair of vehicles, including vans. This specifically excludes the modification of vehicles, which is to be reported as rehabilitation technology; and d. training in the use of public transportation vehicles and systems.
Vocational Rehabilitation Counseling and Guidance	Includes information and support services to assist an individual in exercising informed choice and is distinct from the case management relationship that exists between the counselor and the individual during the VR process.
Work Based Learning Experiences	On-the-Job Trainings are community-based work experiences offering the student a place to practice social skills, gain an understanding of work, learn about different work environments and identify work accommodations.
Workplace Readiness Training	Workplace readiness training focuses on employability skills including resume writing, interviewing, applying for jobs and social/interpersonal skills for the employment.

Appendix B. VR Service Area Map

Appendix C. Notable Events Impacting Service Delivery during Reporting Timeframe

Order of Selection Plan. Florida VR implemented an Order of Selection (OOS) in August 2008 consistent with the federal Rehabilitation Act. Federal rules require that when a program cannot serve every eligible individual who applies due to resource constraints (financial or personnel), it must prioritize services to individuals with the most significant barriers to employment. Under the plan, Florida has three (3) priority service categories: Category 1 (individuals with the most significant disabilities), Category 2 (individuals with significant disabilities), and Category 3 (other eligible individuals). Individuals are released from the specific OOS category, according to their application date. For example, there must be no one waiting in Category 1 before individuals can be released from Category 2, and there must be no one waiting in either Category 1 or 2 before individuals can be released from Category 3.

Although all three priority service categories are currently open with no wait, VR has elected to remain under an Order of Selection at this time to exercise responsible resource management. The table below provides a historical timeline of VR’s efforts to serve all customers previously in the Order of Selection Category 3.

Category 3 Status	Number of Customers	Average Wait Time
October 2021	1	1 day
September 2022	11	12 days
September 2023	55	90 days
September 2024	0	0 days
September 2025	0	0 days

The Workforce Innovation and Opportunity Act (WIOA). Signed into law on July 22, 2014, the federal Workforce Innovation and Opportunity Act (WIOA) includes major revisions to the federal Rehabilitation Act of 1973. WIOA went into effect July 1, 2015, and final regulations were released to the states in October 2016. The act makes several revisions to the vocational rehabilitation program that include:

- Prioritizing services to students and youth with disabilities by increasing opportunities to practice and improve workplace skills, including internships and apprenticeships;
- Aligning federally-funded employment programs by mandating joint planning between vocational rehabilitation programs, the workforce system, adult education and literacy programs and programs funded under the Wagner-Peyser Act;
- Expanding VR’s mission to include employers as a primary customer, focusing on better identifying and meeting employer needs, increasing employer engagement to provide work-based learning experiences for VR customers of all ages, and identifying competitive, integrated employment opportunities for individuals with disabilities in the job-driven workforce;
- Emphasizing a substantial increase in work experiences in competitive, integrated employment settings, the expanded use of customized and supported employment, an expanded array of individualized services (particularly for youth); and
- Establishing common performance measures for WIOA core partners that necessitate increased coordination and data sharing.

For more information on the data in this report, please contact:

Division of Vocational Rehabilitation

Area 3 Director's Report
Florida Rehabilitation Council
May 12, 2026

1

Presenter

Sharon Wright
Area Director – Area 3
Florida Department of Education
Division of Vocational Rehabilitation
3191 Maguire Boulevard, Suite 250
Orlando, FL 32803
Sharon.Wright@vr.fldoe.org

2

Objectives

Identifying the gaps in timely service delivery to our participants.

Explain how a change in practices is resulting in improved outcomes.

Discuss how continued improvement and sustainability are being achieved.

Where are we now?

3

Gaps in Timelines

Referrals being scheduled past 60 days.

Application to Individualized Plan for Employment – over 90 days.

Referral to IPE – January 2026 - 130 days.

4

What Have These Gaps Shown?

- A rise in participant complaints.
- Unnecessary delays in services.
- Decreased motivation and increased frustrations.
- Participants are less likely to remain engaged.

5

Call for Action - A Change in Practices

- Supervisors will monitor referrals to ensure assignment.
- Direct contact with the participant to schedule the intake and ensure required documents are made available.
- Reminder phone calls will be made within 24 hours of the scheduled appointment.
- We will utilize resources throughout the Area if a vacancy is impacting timeliness.

6

Other Practices in the Process

- Proof of Social Security benefits for a disability should result in presumptive eligibility.
- If further evaluation is needed, appointments will be scheduled the same day as intake.
- Release of information will be sent immediately after intake, so that requested documentation can be received.
- Follow up on requested information should be happening no later than 7 days.

7

Timely and Appropriate IPE Practices

- Provide a date for the Individualized Plan for Employment (IPE) planning meeting on the same day eligibility is determined.
 - Person-centered approach that honors the whole person.
 - Include labor market data for informed decision-making.

8

Monitoring and Accountability

Leadership has strategically implemented the following:

- Weekly meetings with all Vocational Rehabilitation Supervisors and Area Supervisors.
- Vocational Rehabilitation Supervisors meet weekly with all Unit staff.
- Review of all data on case processing done weekly with follow up to staff.
- Ensure staff know how to utilize case management tools for efficiency and effectiveness.
- Targeted goals and progress are communicated regularly.

9

Where Do We Stand?

- New referrals are being scheduled for intakes on average within 48 days and some within 30 days, which is the target.
- Application to IPE days in status has decreased to 72 days, with an original goal of 75 days.
- The average for referral to IPE days in status has decreased to 118 days as of April 2026.
- Competitive Integrated Employment (CIE) as of early April 2026 had reached 663 outcomes for Area 3.

The Florida Department of Education, Division of Vocational Rehabilitation (VR) is an equal opportunity employer. It is against the law for VR as a recipient of Federal financial assistance to discriminate against any individual in the United States on the basis of race, color, religion, sex, national origin, age, disability, political affiliation or belief. The application process used by VR to determine eligibility for services, any subsequent services and the entire VR process are subject to these non discrimination requirements. Auxiliary aids and services are available upon request to individuals with disabilities. VR program receives 78.7 percent of its funding through a grant from the U.S. Department of Education. For the 2022 Federal fiscal year, the total amount of grant funds awarded were \$175,063,093. The remaining 21.3 percent of the costs (\$47,775,094) were funded by Florida State Appropriations. Revised October 2023.
